This American Celtic group has been together for 12 ply years and in that time Turlough has written quite a body of great original music!

TR-C has played to many diverse crowds in the past few years. Some venues include: The Irish Festival of Minnesota, Staring Lake Amphitheatre, McGoff's Irish Pub and Restaurant, the Dubliner Pub in St. Paul, Minnesota, Minnesota Historical Society History Center, Celtic Weekends at the Kansas City and Michigan Renaissance Festivals and, always up for a good cause, proudly played several fundraisers for the Minnesota Gaeltacht and Na Fianna Theatre Company.

TR-C's play lists include many dance tunes and songs. (Some in English and some in Gaelic.) A partial play list has been sent for your convenience.
